To whom it may concern,

Thank you for contacting Farmers Insurance Federal Credit Union (FIGFCU). Credit Union Members may electronically wire funds into their FIGFCU accounts.

The information needed is as follows:

- **Institution Name:** Farmers Insurance Federal Credit Union
- **Institution Location:** 2255 N. Ontario St. Suite 320, Burbank, CA 91504
- **ABA/Routing Number:** 322077795
- **Final Credit/Beneficiary:** Member's Name
- **Final Credit/Beneficiary Account Number:** Member's Account Number
(not Member number)
- **SWIFT Code:** Not Available
 - **Note:** If receiving an International Wire, the Member must provide the sending Financial Institution the Credit Union's routing number only in the absence of a SWIFT Code. The sending Financial Institution will work with their correspondent bank to transmit the wire.

Your domestic wire will be posted the same business day if received by 3:00 PM PT. Incoming wires with incorrect account number or mismatched name will be rejected and returned to the sending financial institution. FIGFCU does not charge a fee for incoming wires.

We are here to help.
