

FACTS

What does Farmers Insurance Federal Credit Union do with my personal information?

Why?

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

At FIGFCU, we respect the privacy of our members. We recognize the importance of maintaining the confidentiality of your personal financial information. This notice describes the privacy policy and practices followed by FIGFCU. This notice explains what types of member information we collect and under what circumstances we may share it.

What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- Social Security number and name
- Account balances and transaction or loss history
- Credit history and checking account information

When you are no longer our member, we will not share your information except as permitted or required by law as described in this notice.

How?

All financial companies need to share member's personal information to run their everyday businesses. In the section below, we list the reasons financial companies can share their member's personal information; the reasons the Credit Union chooses to share, and whether you can limit this sharing.

Reasons we can share your personal information	Does the Credit Union share?	Can you limit this sharing?
For our everyday business purposes — such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus	Yes	No
