Janice Larsen held the position of Vice President Application Programming for Farmers and retired in 1997 after 30 years of distinguished service to the company. Online Banking Update

Your Credit Union is working on upgrading both PC-TIED and Bill Pay. We are very excited about the enhancements to both systems. Some of the highlights include:

- Remote Deposit – deposit a check from your desktop without going to a branch or ATM
- Secure Messaging – send the Credit Union account specific information securely
- Mobile Access – conduct transaction through your mobile device
- Pay Bills – and have the money deducted from your account on the DUE DATE, not before

We plan on providing these new systems to our members in the first part of 2010, but we won't make them available until all the enhancements live up to our high service standards. Check PC-TIED for regular updates on our progress.

President's View

It's so natural to turn to the bigger picture at the beginning of a new year...making those big resolutions, asking ourselves what's truly most important, and how we can improve ourselves. While most of us would probably

like it if money issues were not such a huge part of our lives and our mentalities, the fact of it is, they are.

Most individual consumers lack personal budgeting self-discipline, blowing their ostensible budgets on small impulse purchases daily that typically are the result of poor planning and self-control. As with the bigger picture of looking at things through a multi-year, long-term lens, an excellent personal success technique is to plan out each day's activities and goals. I read recently where a group of sociologists had gone into the Amazon rain forest and found a group of people with extraordinary longevity. They asked the leader what he thought the secrets of their longer life spans were attributable to. His answer? "Every night before we go to sleep, we plan what we want to accomplish tomorrow." Amazing, sublime wisdom, no doubt. I think the hidden message there also strikes to one of the most necessary elements of happiness, too. That element is hope. Those who plan what they should do tomorrow will have hope that tomorrow is indeed going to be a good day. The importance of having hope can never be underestimated.

Start accomplishing your financial goals by working with the Credit Union. And why should you do business with your Farmers Insurance Group Federal Credit Union? There are many reasons, but allow me to give you my top few.

1. In doing more of your banking with us, we build a stronger relationship of trust over the long term. In fact, trust is the main engine of all human activity, especially including business transactions. Without trust, things would rapidly begin to break down.

2. In banking with us, you make not only us, but yourself, and the entire Farmers group of entities, stronger. The positive results that come from the synergy of working together will always be greater than what any singular entity can engender alone.

3. Our service is the best. Our members testify to that regularly, and we are very grateful for that. But we earn that praise from our members—thru daily caring and diligence. Great Service is part of our basic culture; it doesn't just happen.

4. Our pricing is highly competitive. Not always the best on every single product we offer, as that would be a good recipe for going out of business. But highly competitive across the board.

5. All your dealings with us are 100% private, secure, and confidential. No one you work with or know will ever gain access to your financial records with us (not without a bona fide court order!) without your authorization.

6. We are You. Our member/owners own our Credit Union. No banker can say that.

7. Accessing your funds, banking with us, is easy, no matter where you live or work. We are on a huge (over 28,000) network of nationwide ATMs which offer you funds access for free, if you're our member. We also participate in a 6,000 branch network with other credit unions where you can physically walk in and transact on your account with us. We have 18 walk-in branches of our own. Our superior telephone service is nationwide, and all our Counselors are competent and qualified to assist you on the full range of our products and services. Our Internet banking service is 24/7/365, so you can transact on your account at your convenience, wherever you are.

Spread the word! It's time to do more business with YOUR Credit Union! Happy 2010!

Home Loan Pre-Approval

An Essential Step before House Hunting

Here are five reasons why you should get a home loan pre-approval:

1. To know the maximum amount of money you can afford to spend on a home.
2. To determine the best type of loan to meet your needs (conventional, FHA, or jumbo).
3. To determine the amount of cash needed for a down payment and closing costs.
4. To correct any credit problems/inaccuracies on your credit report.
5. To make an offer immediately on the home you want.

You will save valuable time by only looking at properties that you can afford! To find out more about our home loans and the pre-approval process, call us today at **800.877.2345**.

Farmers Insurance Group Federal Credit Union
4601 Wilshire Boulevard, Suite 110, Los Angeles, CA

All members are invited to Farmers Insurance Group Federal Credit Union's (the "Credit Union's") Annual Meeting, which will be held on April 28, 2010, at 12:30 p.m. The Annual Meeting will be held at the Credit Union's headquarters, located at 4601 Wilshire Boulevard, Suite 110, in Los Angeles, California.

Members will have a chance to meet the staff and officials who make our Credit Union work. The Credit Union will provide reports on our current financial status, our plans for the future, and announce the results of our election.

Notice of Nominees

The Credit Union's Board of Directors has appointed a nominating committee to nominate at least one (1) nominee for each vacancy in accordance with the Bylaws. Under the Credit Union's Bylaws nominating policy, the nine (9) members of the Board of Directors should consist of the following:

1. Three (3) Board members representing the Agency Force (preferably one (1) District Manager and two (2) agents);
2. One (1) Board member representing the retirement community; and
3. Five (5) Board members from the Home Office Complex or local Regional Offices representing the following areas: accounting, auditing, investments, marketing, and regions.

In accordance with the nominating policy under the Bylaws, the members of the Nominating Committee for the 2010 Credit Union Election have nominated three (3) candidates on the ballot roster for three (3) open positions on the Board of Directors. Unless there are additional candidates nominated by petition, the three (3) candidates nominated by the nominating committee will serve on the Board of Directors. The three (3) nominees will each serve for a three (3) year term.

If there are additional nominations by petition, there will be an election by mail ballot. In that case, the three (3) candidates receiving the highest number of votes in the election will each serve for three (3) years.

The three (3) candidates selected by the Nominating Committee are set forth on the attached statement of qualifications and biographical data.

Petition for Nomination

Any member who wishes to petition for nomination to serve on the Board of Directors may do so by submitting a petition for nomination with the original signatures of at least 430 Credit Union members no later than 3:30 p.m. on March 3, 2010. Each nominee by petition must submit a signed certificate stating that the nominee is agreeable to nomination and will serve if elected. The nominee should include a statement of qualifications and biographical data with his or her certificate. Anyone wishing to use the petition process should contact Gladys Garcia at the Credit Union at 323.209.6006. A posting of all nominees will be made at each Credit Union office on March 10, 2010.

Please note that there will be no nominations from the floor at the Annual Meeting because nominations are only permitted by petition or by the Nominating Committee.

Voting Procedure

As noted above, the Nominating Committee has nominated one (1) candidate for each position to be filled on the Board of Directors. If the Credit Union receives one (1) or more additional, valid petitions for nomination, there will be more nominees than positions to be filled. In that case there will be an election.

An election, if necessary, will be determined by plurality vote and will be conducted by mail ballot, which will be mailed on or about March 17, 2010.
