NEW Quick Navigation Menu

While you cannot edit this bar, it does contain our most-used banking services. For additional services, please go to the list of Tools on the home screen.

Tools are now displayed as rectangles for easy viewing.

MANAGE MY TOOLS

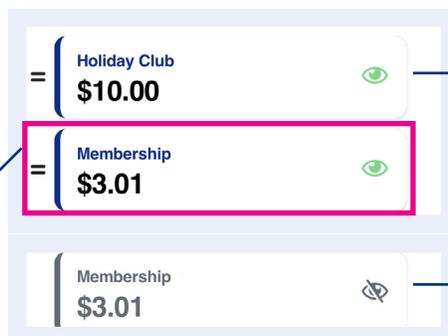

NEW Dedicated Alert(s) Module

How to Move, Hide, and Unhide Accounts and Tools

You can edit the order and/or decide which **Accounts** and **Tools** are available on the home screen by clicking **Tool Settings** (or the **Manage My Tools** button) or **Account Settings**.

Simply drag and drop the tiles to change the order of Accounts or Tools.

Tile

Click on the eyeball icon to hide an Account or Tool.

Unhide an Account or Tool by clicking on the grayed-out eyeball.

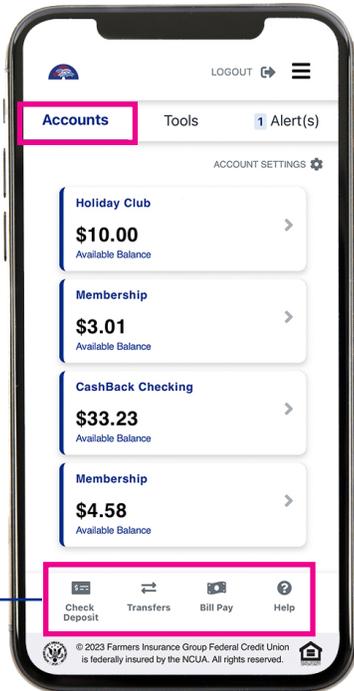

Home Screen Enhancements

pg. 2

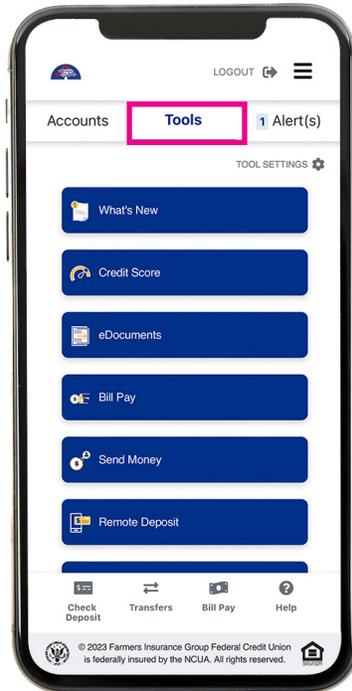

Mobile Phone View

Accounts, Tools, and Alert(s) views now have dedicated tabs.

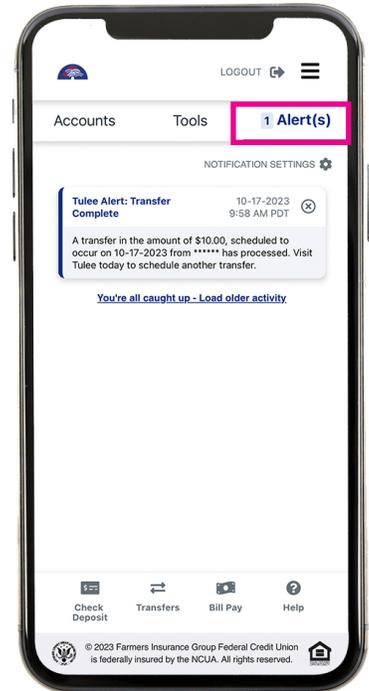

Accounts Tab

Tools Tab

Alert(s) Tab

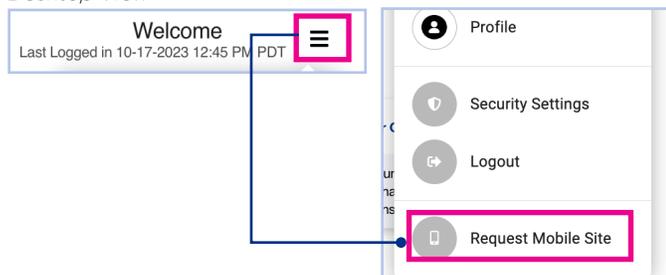

Quick Navigation Bar will be accessible in all views.

How to choose your preferred Home Screen layout

You can now choose which Tulee layout you prefer: mobile or desktop. You can use the mobile layout on your desktop and vice versa. Click on the **Hamburger Menu** in the upper right corner, then select the layout you like by clicking **Request Mobile Site** or **Request Desktop Site**.
